THE HAWK YEARBOOK

1994 Edition

"In the process of Moving On"

The University of Maryland Eastern Shore
Princess Anne, MD 21853
(410) 651-2200

the Henson Center, one of many new buildings on our fast growing and beautiful University Campus.

UMES

Just when we thought UMES couldn't get any better, it did. A new HRM facility, a new wing on the Library, and students with a new attitude. As the university expands so does the student population. We are now one of the fastest growing universities on the Eastern Region of the United States. And you can't beat that with a bat. So you can get with this, cause this is where it's AT!!

Bigger and brighter things to come!!

STEPPING INTO
THE 90'S

Dedication

Bobby Lee Faunteroy, Jr. (scoopie), brother of the late Vernetta Lynn Faunteroy was born on November 26, 1963 to Bobby Lee, Sr. and Vernell Faunteroy. He was called to rest on June 10, 1993 at 4:30 p.m.

His early education was in the D.C. Public Schools. He completed his education in the Prince George's County Public Schools. He then went on to receive his B.S. degree in Construction Management Technology from the University of Maryland Eastern Shore. While

attending U.M.E.S., he designed the addition for the St. James A.M.E. Zion Church in Salisbury, Maryland. Mr. Faunteroy was also a dedicated

member of Phi Beta Sigma, Fraternity, Inc.

He was employed as the Assistant Director of Housing at U.M.E.S. since August 1990. To faculty, staff and students he was known as "Mr. F". His easy going

manner, humor, and excellent organization skills made him invaluable to his department. He was an inspiration to us all in the U.M.E.S. family and will always be remembered as that special friend.

"YOU WILL BE DEARLY MISSED MR. F"

STUDENT LIFE

REGISTRATION

"It's ok ... really. All you have to do is talk about who did your hair, where you were during the thunder storm and who is that cute new guy in the print-out line? Some people just handle it better than others."

I am telling you, wait till next week and ...

"Hold me Billy!! I am just going to go crazy on her if she don't wipe that silly grin off her face! I missed breakfast and lunch this morning, standing in line for 4 hours."

2 SIDES TO EVERY Story

Boy if you don't get back in that line . . . ?

CORONATION OF MISS UMES,

TYRA MICHELLE HARDING

Under the theme "Our Future: Rich in Tradition," Tyra Michelle Harding was crowned Miss University of Maryland Eastern Shore on October 15, 1993.

Miss Harding, a senior physical therapy major from Fort Washington, Md., will lead a court comprising Miss Freshman, Shinzira Fowler; Miss Sophomore, Jolanda Best; Miss Junior, Thomasina McCoy; and Miss Senior, La Shantra Myers. Twenty-two additional campus queens participated in the ceremony.

The outgoing Miss UMES, Rhonda Terry, will relinquish her title to her successor and President Hytche will crown Miss Harding. The coronation was followed by a reception that was held in the SDC commons.

The daughter of Deborah and Charles Harding Jr., Miss Harding is a member of the UMES Honors program and parliamentarian of Zeta Phi Beta Sorority Inc. She is also a member of the UMES volleyball and softball teams.

Mark and Natalie at Kiah Hall

Mr. security himself. Isn't he just happy to be working among friends. But check him out when the fights broke out . . . he broke out too!!

On a weekend we know what TIME it is!!

When it's 20 degree outside you can rest assured that the dance floor is HOT! The SDC was always jammin with the most energetic and talented students at UMES. Yes it was a good year for all who watched as the guys did their club moves and the ladies did their thang. From pajama Jams to Halloween get-ups we did it all.

Graduate students also know how to do the butterfly reggae dance. The N.Y. born and bred Lance knows what time it is!!

Toga Time!! Which means sheets and sheets and more sheets. By Monday the laundry room was full of students doing their dirty sheets.

SDC parties also meant time for old friends to live the good old days at UMES. The Fun just never stops at graduation day. True friends will never die.

PARTY PEOPLE!!

Go Lisa, go Lisa, it's your birth day!

I told you man, I don't have any candy! Watch where you put your hands fella!

Yo Kev check the honey out man, these darn sheet! I can't even
Man she fine! I gots to get out move!

Just look at him over there girl, this body.
friend. He is just dribbling over

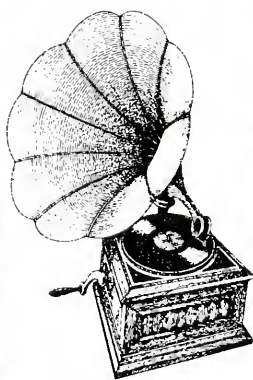

Some people come prepared to just get loose and let it all out!

TAKE IT FROM THE ETOP

Cool Dave takes time out of his studying to scope the scene at an

AKA jam.

Some people have a way of inventing their own moves when the music hits them.

House, Rap, Reggae and Go-Go

When these guys get together and do their thing, expect the floor to give them room. These guys are in such great shape from dancing, they could last all night!!!

What's
HOT

King Put returns to claim his lost throne on the dance floor.

Around the yard in a day.

The UMES Spring relays was filled with excitement and fun. The many schools that participated made the track really hot. Our athletes were always in front!

Sometimes the SDC becomes so overcrowded it's hard to find a seat to relax.

ALPHA OMICRON
APRIL 7 1951
SORORITY INC

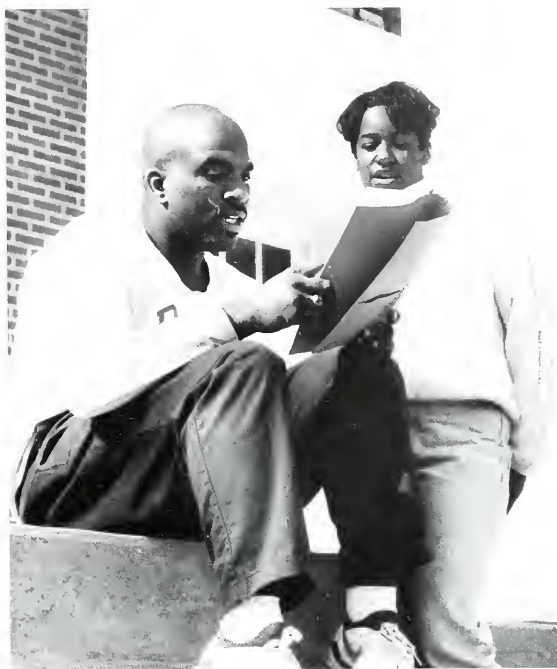

The ladies of Alpha Kappa Alpha displays their paraphernalia in the SDC.

Dreads in the house!

Dreadlocks made a strong comeback in today's society. Many people saw the true meaning of the dreads and its cultural impressions.

Russ takes the hair thing very serious as he doesn't have much choice. (if you know what I mean)

He enjoys a head-tan every now and then.

Some brothers prefer the really smooth look on the top. So smooth it shines! On the court it helps to keep the fellas cool.

It's always a long walk to anywhere on campus if you live in the apartments.

HOME COMING "94"

The best and brightest talents from all over the United States met at UMES this year. From Greeks to Comedians, to Dela Soul and Tribe call Quest, UMES was simply the best place to be.

The cold weather could not keep the crowd from enjoying all the great shows.

in the House!!

Shake that Body!!

You know it's a UMES Homecoming when . .

WE
GETS
CRAZY!!

MEMO TO THE MEDIA

The University of Maryland Eastern Shore Sports Information Department is very pleased to supply this publication of the 1993 Hawks fall teams and programs. We hope it will answer many of your questions throughout the next several months. We sincerely appreciate your interest in the UMES athletic programs, and will do everything possible to meet your needs throughout the course of the season.

We hope to see you at UMES during the fall of 1993. Feel free to call on me if I can be of any further assistance.

1993 Hawks Soccer Team

(First Row, Left To Right) Mark Moodie, Joseph Martin, Fitzgerald Williams, (Second Row) Head Coach Sam Douglas, Martin Beall, Kebba Wadda, Dan Mabuza, Kerry Brown, manager Sergio Goater, (Third Row) Charles Taylor, Kimandi Binns, John Smullen, Pedro Webster, William "BJ" Strain, Terry Pledger, Chad Hancock, (Fourth Row) Stephen Isett, Adam Mooney, Jonathon Lindsay, Kelvin McQuilkin.

STARTERS LOST/RETURNING: 3/8

KEY RETURNEES: Mark Moodie, Jonathan Lindsay, Karry Brown, Pedro Webster, Joseph Martin, B.J. Strain

KEY NEWCOMERS: Kimandi Binns, Fitzgerald Williams, John Smullen, Terry Pledger

The 1993 season will be the first full year as a Division I member for the soccer team of the University of Maryland Eastern Shore. They will be under the direction of second year head coach Sam Douglas. Although last season ended on the downside with a 0-12-1 record, Coach Douglas has a much better outlook for the upcoming season.

Douglas said "last year's season didn't turn out as well as I thought we were going to do as a team, due to injuries to key players early in the season we had to make adjustments that didn't prove to be in our favor. There were some players that played in positions that were unfamiliar to them. By the time that they adjusted to their new positions, it was late into the season and that proved not to be in our favor. Last year we had a few players that could get the job done for us, this year we should have a more rounded team where I can go to more players to get the job done. We're looking to a new year with a new pool of talent. I will rely heavily on experienced returnees such as Jonathan Lindsay, Mark Moodie, Pedro Webster B.J. Strain and Joseph Martin. Newcomers Kimandi Binns, Fitzgerald Williams, and Kelvin McQuilken are also expected to play a key role. Kimandi and Fitzgerald have played first division in Bermuda, their wealth of talent will be looked upon in helping the team succeed.

Coach Douglas set out to get some of the top recruits in soccer, he believes he's been fairly successful in his efforts. "Although recruiting didn't go quite as well as I had hoped, I'm still pleased with the group we have coming in. As I mentioned earlier, there are some newcomers that will be looked upon to deliver."

"I'm expecting this year's team to have matured and have more talent and able to compete in more positions than last year's team. As a team we've set a goal of winning at least 50% of our games this year. I believe finishing at .500 is a realistic goal for us, due to the fact that we will take on more Division I competitors this season."

"The guys trained and conditioned over the summer, along with playing in summer leagues. I don't expect us to give up as we did in some instances last season. We were alright until a goal was scored, then the team felt as if they could not recover. Every game started out well, we just didn't finish strong. We didn't capitalize on the opportunities that we made available to ourselves to get back into the game. This year's team will be more aggressive and not lay back and wait for things to happen, we will make them happen. I also expect this group to be a close knit group, giving it all they have from start to finish. Jonathan, Fitzgerald and Joseph will be depended upon for their strong work ethic and keeping the team motivation." Charles Taylor will be looked upon heavily to keep the balls out of the net. "Charles is very talented, he will work out fine giving the team leadership. We will be a team with victories and respect."

COACH SAM DOUGLAS

Coach Sam Douglas enters his second season as head soccer coach at UMES. The Bermuda native has compiled an 0-12-1 record to date. Douglas began his playing career at UMES as a midfielder in 1989 where he was the team captain. He was an assistant coach for the Hamilton Parish Junior Team in Bermuda. His playing experience includes the Bermuda National Youth Soccer Team, the Hamilton Parish Soccer Club (First Division Club) and the Devonshire Colts Soccer Club.

1993 Hawks Cross Country Team

(Kneeling, left to right) Helena Renee, Gail Stewart, Kim Faulkner, Desirae McDaniel, Quanda Buckner. (Second Row) Assistant Coach, Monique Legette, Stewart Stone, Aisha Capers, Natalie Travers, Bernard Hall, manager ???, head coach Greg Moore. (Third Row) Assistant Coach Jackie Thomas, Kennon Broadhurst, Clay Nichols, Barry Jackson, Zyrus Campbell.

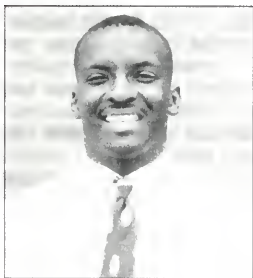

Greg Moore arrived at the University of Maryland Eastern Shore during the 1993 Spring Semester as the head cross country coach.

Being very optimistic about the program and upcoming season, Coach Moore feels that his program will not "take a back seat to any program in the country. We are taking on a new beginning with the cross country program. Our athletes should feel an honor to wear the Hawks uniform to compete. It's something that was earned and not just given to them. We will compete against some of the top teams in the country, helping to make our athletes mentally tough. I'm hoping to build a strong middle distance program. The scheduling also helps in my recruiting efforts."

The runners are expected to be in top shape after enduring their conditioning program during the summer. A group of talented athletes will make up the backbone of the team as they are looked upon to carry the team - Gail Stewart and Helena Renee will bear most of the burden as they will make up the backbone of the women's team. Freshman Quanda Buckner should help the team in terms of depth.

Al Eddings a mainstay on the Hawks squad has been a consistent performer on the team for three years and is expected to do the same again. The men will have additional depth in Bernard Hall, now in his fourth season will provide experience for the team. Newcomers Barry Jackson, Clayton Nichols, Corey Strickland and the Ali brothers will provide rays of hope. These 800 meter runners need to have a good cross country season.

Moore says "it's important to instill in his athletes pride and tradition in the country program. The standards have been raised a bit in terms of motivation to compete for the Running Hawks."

COACH MOORE

Greg Moore enters his first year as the head of the University of Maryland Eastern Shore track and field programs. Moore comes to UMES after serving as the interim head track and field coach at LaSalle University.

His other coaching jobs have been at Jarrod High School, Arizona State University (assistant), Temple University (graduate assistant in strength and conditioning), and Community College in Philadelphia (implemented track program).

He received his Bachelor of Science degree in Criminal Justice from Arizona State University in 1986. He is currently completing requirements for his Master of Science degree in Sports Administration at Temple University. Moore competed on the track team at Arizona State and the 1984 and 1988 Olympic Trials. Moore is a strongly motivated and goal-oriented man, seeking to use track and field as a means to help student reach their potential as human beings, not just athletes. He aims to reinforce values that will have a life-long positive contribution to the experience of the athlete's life. "I want my student-athletes to remember that I care about their performance on the track and as individuals off the track."

1993 Hawks Volleyball Team

(Seating, left to right) Erica Thompson, Katina Branson, Keisha Maddox, Tracy St. Louis, Holly Toadvine. (Standing) Tyra Harding, Vera Carrington, Monica Venable, Stacey Swain, Lisa Casimir, Monica Barnes, head coach Lisa Jones.

1993 Volleyball Outlook

The Lady Hawks look to fill big shoes as they lost two key players in the Mims sisters (Jackie and Jennifer) and improve from the 15-18 season of last year. Head Coach Lisa Jones looks to add to the depth of the team and have a strong finish in the MEAC as well as the overall record. She will have to rely on some freshmen to pull the Hawks through. Outside hitter Lisa Casimir showed improvement last season and will be counted on heavily to produce for the Hawks this season. Middle blockers Nancy Raymond (Jr.) and Monica Venable (Sr.) will be counted on to contribute more this season and make continued improvement. Raymond has proved herself to be a defensive specialist. Junior setter Keisha Maddox will return as leading setter with offensive strategies and team motivation. Senior outside hitter Karen Ellis is expected to continue her intensive play as an all around player.

There are high expectations of Stacey Swain who did not see a lot of action last year but is expected to provide strong net play for the Lady Hawks.

Coach Jones speaks of the newcomers: "Vera Carrington, Holly Toadvine and Ausha Johnson. Vera is an all-around player, she sets as well as hits outside. Holly will be relied upon for her strong defensive skills and setting. Ausha has great leaping ability and should be an asset offensively and rotate to several positions. With this type of talent, I'm looking to fill the shoes of the talent lost from season."

SCHEDULING: "Due to a new NCAA bylaw we are required to play Division I teams only. Therefore our schedule is more difficult as we are playing some of the top Division I teams in the state. Because our competition level is more competitive our style of play will improve right along with the competition. We remain optimistic and realistic in setting our goals for this season. We do expect to be just as competitive as our counterparts. We will take the challenge head on."

STRENGTH OF TEAM: "I expect the team to have stronger bench players, alleviating some fatigue on the starters. This would be a growth stage for us, last year we were not very deep. I expect newcomers Ausha and Holly to help in the defensive areas. We should have nine to ten solid players I can go to at any time."

PREDICTION ON SEASON: "Because our schedule has changed tremendously, I expect to finish overall at least .500 or better. The competition is more difficult at the level we'll play. In the MEAC I expect a finish in the top three, to bring home a conference crown would definitely be a big plus. I expect our offense to be strong so that it will help make the defense play easier."

HEAD COACH: LISA JONES

Lisa Jones begins her second year as head volleyball coach for the Lady Hawks. She was the assistant volleyball coach for the Hawks during the 91-92 season. Last year Jones guided UMES to a 15-18 finish. Jones is also the interim head women's basketball coach.

A graduate of Wofford College, Jones received her bachelor's degree in Business Economics. While in college, Jones was a member of the volleyball, basketball and softball teams.

MANAGERS: TIA WATKINS, ERICA THOMPSON

UMES 1993-94 LADY HAWKS WOMEN'S BASKETBALL

The University of Maryland Eastern Shore Lady Hawks are looking forward to a new start for the 1993-94 basketball season. Last season the team finished with an overall record of 7-19 and a Mid-Eastern Athletic Conference record of 4-12.

Last season ended with a loss in the first round of the MEAC tourney to Bethune-Cookman College (62-61) in the "play-in" game, and an eighth place conference finish.

Lisa Jones is in her first season as head coach for UMES. She follows the direction of former Lady Hawks coach, Willie Simon as she assisted him for two years in the women's basketball program. Two key players were lost from last season's team who provided leadership and guidance, Peggy Edwards and Nathalon Jackson, who received MEAC honorable mention honors.

With the return of nine players from last season, the team has developed unity and look to one another for a consistent flow and balance to the team.

The 93-94 team will be competitive, but not very deep. They will exercise condition and be aggressive offensively and defensively. Success will be judged not in wins and losses but on whether they play

as well as they can game to game and if they gave 100% effort game to game. The Lady Hawks are looking to play against the game of basketball and not against the opponent. If that happens, they should make progress from last year's team who seemed to struggle. Their intent is to play inside out basketball and establish a strong inside game. A team that possesses good speed and overall athletic abilities, will need to come better as basketball players (because they're not as big as they want to be). Their size needs to be overcome with some degree of conditioning and execution of very fundamental and simplistic attack. "We can never get tired, we're not very deep," states Coach Jones. "The team will have to play ball." They hope to take every transition opportunity and try and convert a basket, without being reckless. With the loss of Nathalon Jackson, (who averaged eight rebounds a game and finished seventh overall in the MEAC) they must rebound strong as a team. For that to happen they must get position and get the ball first, they'll have to out jump a lot of people.

Returning this year, is senior Audrey Williams. Audrey is a smart player, that is not only smart, but a fierce competitor. With her abilities we should be able to get in an offense and decent learning game if we get her the basketball. She is our top player. Senior Monic Holbeck is also back this season. She is an excellent player who will play at the small forward and guard positions.

She is a top scorer who takes advantage of openings and has great skill in getting free to the ball. Sophomore Stacey Swain is looking forward to contributing in the forward position. She is a strong rebounder who makes things happen on the inside. Stacey was also named to the 1993 All Rookie Team. Sophomore Robin Pettit is becoming comfortable as a post-up player down low. She is reliable in this position as well as on the perimeter. Robin is known for her consistent play. Sophomore Javaha Ross is also a return player. She is a strong athlete who will be a key player. She is a smart player who makes good decisions in the position she plays. Javaha should get more and better scoring opportunities as well this season. Sophomore Cecili Tomlin should prove to be an outstanding player for us in the future. With her quickness and speed as well as her outstanding shooting ability Cecili will be a great contribution to the team. Junior Sheila McKaig is a hard worker that will make strong contributions this season. She is a tough competitor and a powerful player. Sheila also has the skill to make quick adjustments in her style of play. Sophomore Billye Jones is one of the finest athletes. She has great speed which makes her dangerous on the break. She is still developing as a basketball player and is one to look for.

Billye is also known for her aggressive defense and hustle. Junior Quatia Watkins will make positive contribution as a strong forward. Her good attitude is one that will fit into the program easily.

Joining the Lady Hawks Basketball team this year are two junior college transfers. Junior Amy Sivadge from Colby Junior College and Junior Tunya Brown from Spartanburg Methodist Junior College. Amy is a solid player who has the skill to be an outstanding player in the MEAC. She brings a flare of excitement to the game. Tunya is a very good athlete who has a lot of talent to work with. She should develop as the season progresses.

The women's team also welcomes four freshmen. Tiffany Miller, Breona Brent, Vera Carrington and Teresa Pringle. Breona Brent made the team as a walk on. She should make some contributions to the team immediately. Tiffany Miller also made the team as a walk on. She is a hard worker who makes things happen on the floor. She is expected to be a post-up forward. Vera Carrington has great speed and a solid jump shot that will be beneficial to the teams success. Teresa Pringle is a good athlete that is a team player and good competitor. These attributes will combine with her quickness and smart play.

1994 UMES WOMEN'S TRACK TEAM

(L - R) Monique Leggett - Asst. Coach, Giesha Graham, Robin Smith, Debbie Allison, Kiesha Hines, Aisha Capers, Quanda Buckner, Kim Faulkner

Track and Field Outlook

Coach David "Spiderman" Boyd began his first season in the helm of the Fighting Hawks Cross Country and Track and Field Programs.

Prior to coming to UMES, the seven time All American long jumper and sprinter and National Record holder in the NCAA and NAIA spent five years at Kentucky State University as a head coach, five years at Southern University as an Assistant coach, four years at Texas Southern University, and was head men's coach at Tennessee State University. At stops along his coaching career, he has developed over fourteen All Americans and one olympic gold medalist in the triple jump, Al Joyner.

Coach Spiderman Boyd is a native of Memphis, Tennessee where he was All State in Football and Track and Field at South Side High School, and was Co-captain of both teams. The football team was the runner-up in the first state championship and Track and Field were the three time state champions. Several members of that football and track and field teams went on to play Pro football, including "Spiderman".

Coach Boyd got his BA in Business and Economics in 1974 at Fisk University, and after several years of Pro Football and running on the "ole" ITA Pro Track Circuit, he returned to Tennessee University in 1980 to get his MS in Psychology (Guidance and Counseling).

Spiderman Boyd has always been an outstanding athlete and leader among his peers, but his biggest asset is his desire to reach back and help the youth of today with their sports and education. He has produced 27 Academic All Americans, and many of them had furthered their education by attending Graduate Schools across the nation.

UMES is proud to have landed the service of Coach David "Spiderman" Boyd to it's Track and Field Program.

1994 - Track and Field Outlook

WOMEN - The captains for this year's team are Loylita Ennis and Kim Thurman. Our strengths will be in the Field events with Ennis, Thurman, Helena Renee, Lillian Smith, Lisa Casimer, and Christabel Philogene leading the way. Quanda Buckner, Nikita Walker, Robin Smith, Aisha Capers, Starr Sumpter, Angela Jackson, Dana Crampton, Kim Faulkner, and Debbie Allison will be handling all of the running and relay events.

Coming from last place in Cross Country to fourth in just one year, we feel as if our program is beginning to make strides. With such a young team and a lack of depth, we are optimistic in finishing in the top half of MEAC, leaving injuries.

MEN - The captains for this year's team are Bernard Hall, Larry Jordan, and Walter Gunter. Our strength will be in a group of "Young Guns" sprinters, Tyshon Carr, Princes Dennis, Kamal Dorsainville, Dwight Green, William Spivey, and Ufundi Thomas. Barry Jackson, Clayton Nichols, Miguel Rosso, Al Edding, Corey Strigler and Stewart Stone will be counted on to carry the baton across the finish line for UMES.

After finishing second in the Cross Country championships, our outlook for the Track Season is high. We expect to do well in the MEAC's this year.

With our recruiting efforts going very well and the commitment of the several outstanding athletes, the Fighting Hawk's future is looking Bright. We plan to be a force to be reckoned with in the MEAC's and NCAA. Our time table will be set with the first recruiting class and will get increasingly better each and every year. Our priority will always be to develop the complete student athlete with class, style, pride, and poise.

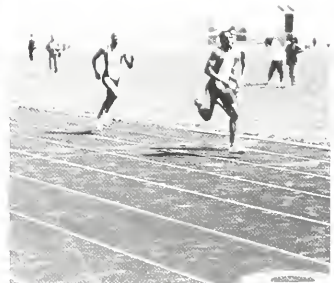

TRACK

HAWK
SPIRIT!!

1994 UMES BASEBALL TEAM

1ST ROW (L to R): Steve Daniels, William Strain, Tommy Richardson, Jerry Pietroski, Ricky Farley
 2ND ROW (L to R): Mike Shockley - Asst. Coach, Calvin Reed, Kyle Lynch, Kevin Cordrey, John Spicer, James Rasel, Kippy Shockley
 3RD ROW (L to R): Billy Williams, Ian Pharoah, Wayne Gray, Brian Beit, Demond Robinson, Frank Marshall, Todd Harper, Kaye Pinhey - Head Coach

Head Coach**KAYE DORRELL PINHEY**

Coach Pinhey enters his third year as head baseball coach at the University of Maryland Eastern Shore.

Since pitching at Miami University (Ohio) during the late 70's, Pinhey has forged out a coaching career that has taken him to several areas of the country before landing on the Eastern Shore. He has spent time solidifying his unique philosophies and techniques at other major institutions under such tutelage as the renown bio-mechanist and baseball authority Dr. Michael G. Marshall.

In his first year, Pinhey was able to increase the productivity of UMES and finish 4th in the conference with a .500 record (the highest finish in four years). Last season the Hawks finished 2nd in their division.

Among his other duties, Pinhey acts as the coordinator for the athletic academic support unit and teaches classes at UMES.

Assistant Coach**MIKE SHOCKLEY**

Mike comes to UMES after graduating from Salisbury State University where he was selected to the All-Conference and All-Region teams. In 1990, Mike led Division III in stolen bases with 42 stolen bases in 45 attempts while playing in 30 games.

He spent 1993 coaching the Wicomico High School baseball team, which finished third in the state. His knowledge of the area and reputation among local coaches will help insure continued growth in local talent.

OUTLOOK FOR 1994

The 1994 "Running Hawks" will again attempt to improve upon the previous year. With a demanding schedule and a marked improvement of personnel, the Hawks are optimistic and look forward to a strong MEAC finish and overall finishing with a record number of victories. Several key players have returned as well as a strong recruiting class to insure the most productive year to date for the University of Maryland Eastern Shore.

With the advent of a brand new facility, with the construction to be concluded in May 1994, the prospects for UMES baseball are bright indeed. The "Running Hawks" will have one of the best facilities in the MEAC and the geographical area. This along with a new assistant coach and a solid recruiting class, the Hawks are well on their way to regional and national recognition.

1994 UMES TENNIS TEAM

FIRST ROW: (l to r) Darlyn Bethel, Paula Murrain, Lynn Bragg, Teresa Pringle

SECOND ROW: John Clark, Brandon Hollday, Carlton Plummer, Brian Hamilton

HEAD COACH - BEATRICE NELSON

Nelson enters her first year at the helm of the Hawks men's and women's tennis programs. She comes to the Eastern Shore from Leon High School in Tallahassee, Florida where she was the Dean of Students and the head women's basketball coach from 1989 thru 1992. From there she held the position of Assistant Recreation Director at Myers Park and Recreation Center.

A native of Greenville, North Carolina, Nelson received her bachelor's degree in Health Physical Education and Recreation from Saint Augustine's College in 1986 and her master's degree in Physical Education from Florida A&M University. Nelson was a standout athlete at Saint Augustine as she was a member of the women's basketball conference championship team.

"My outlook for the tennis program is to make it as competitive and productive as possible enabling us to compete with any team in and outside of the conference. I'd like to bring UMES its first tennis championship."

UMES TENNIS BIOS

John Clark - His first year on the team. He has super strokes who with confidence would be a tough competitor in the sports.

Ronald Wormsely - First year on the team, has shown great improvement and looks to be a better player in the years to come.

Lynn Bragg - Comes out of high school with a 73-0 wins. She has powerful ground strokes and we look forward to her dominating the MEAC singles.

Teresa Pringle - Her first year on the team. She has great tennis skills and has contributed to the team with her forward strokes and vicious ability.

Darlyn Bethel - Her first year playing. She is an enthusiastic player and will be a major factor for the team.

Paula Murrian - A first year tennis player. She is a good hussler on the court and has shown improvement since she began. We look forward to seeing exciting plays from her.

Vernella Mitchell - a first year player. She is a very surprising player with room for improvement. Nevertheless she is improving everyday.

Brandon Holiday - a senior with very good tennis abilities. He has played against some of the toughest #1 seed in the conference with great potential although he didn't win all of his matches. It's his last season this year, he will be dearly missed.

Brian Hamilton - has been with the team for 2 years. He is a very talented and skillful player. He is fun to watch on the court.

Abdul Green - His second year on the team. He is a good tennis player with potential and a great asset to the team.

Troy Coleman - First year with the team. He has a keen sense of tennis. With time, Troy is going to be very hard to beat.

Andre Stanley - First year on the team. Has very good strokes and would prove to be a tough competitor.

Carlton Plummer - A senior but first year with the team. Good doubles player with a powerful serve.

1994 UMES SOFTBALL TEAM

SEATED: Andre Laster - Student Asst., Kirkland Hall - Head Coach, Sam Douglas - Asst. Coach, **STANDING:** Co-shell Milbourne, Cyrese Johnson, Tunya Brown, Della Parra, Pam Fendley, Monica Barnes, Takemia Dorsey

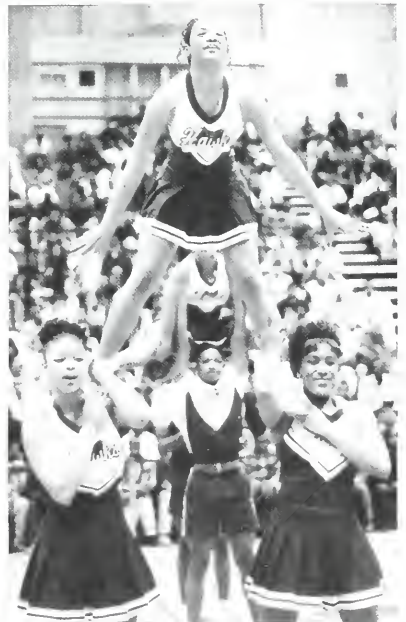

oooh, these burgers smell good!"

Look! For the last time, you can't vote!

like big butts and I cannot lie!"

Whoooah now! This is tooo high!

I gots to get with her before she catches me staring again.

Don't you even think about waking me up!

Hello Mom, SGA got me working late again.

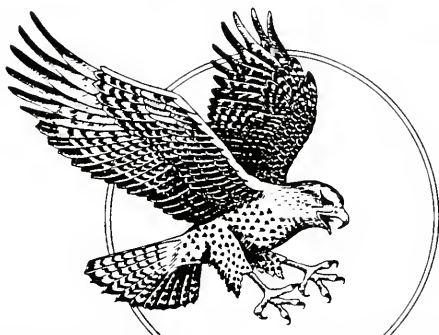

Yeah, I'm warm enough!

No more homework OK! I have had it up here with school work!!

UMES DRAMA SOCIETY

**UNIVERSITY OF MARYLAND
EASTERN SHORE**

Presents:

"EAST COAST TONIGHT"

By
Dr. Della Dameron-Johnson

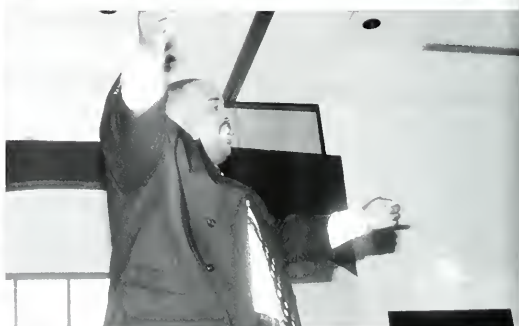

and
Mr. John Lamkin II
April 14, 15, 16, 1994

In the
Richard A. Henson Center

The backbone of the drama program is the UMES drama society, which has been functioning for 18 years under the advisorship of the founder and drama director, Dr. Della Dameron-Johnson.

The Performance of a Lifetime!!

THE END!!

OUR PEOPLE

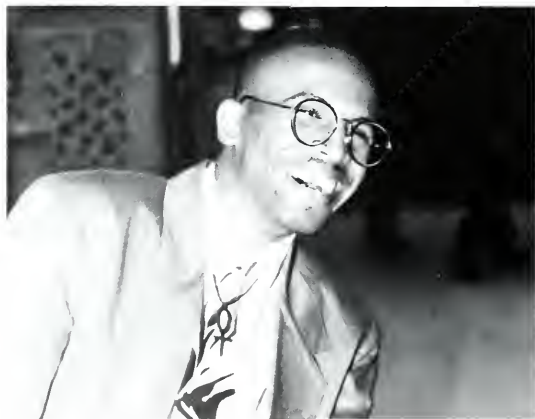

OUR TIMES

TOGETHER

Special Times

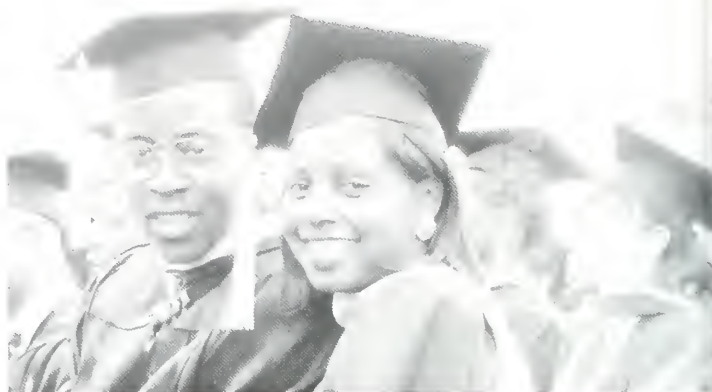

Good
Times!

And
Bad
Times!

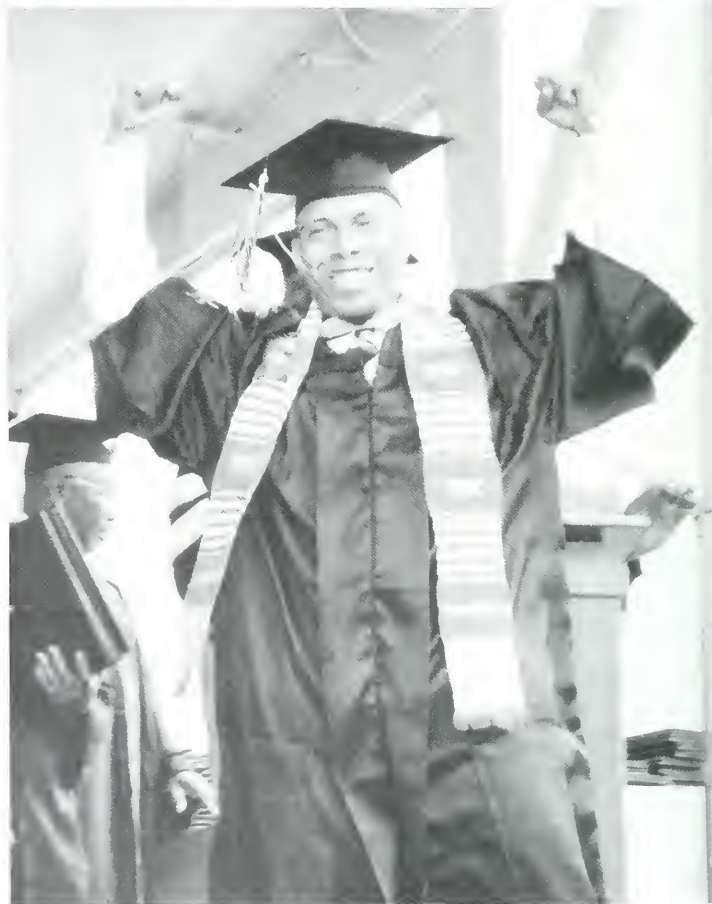

Tracie and Kevin takes time out to pose.

Andrea Webster receives her BA from Dr. Hytche happily with a warm and heart felt handshake for a job well done.

Malcolm has finally conquered his biggest fear, "School Work". Seriously, the brother has done a lot for UMES.

University of Maryland

Eastern Shore

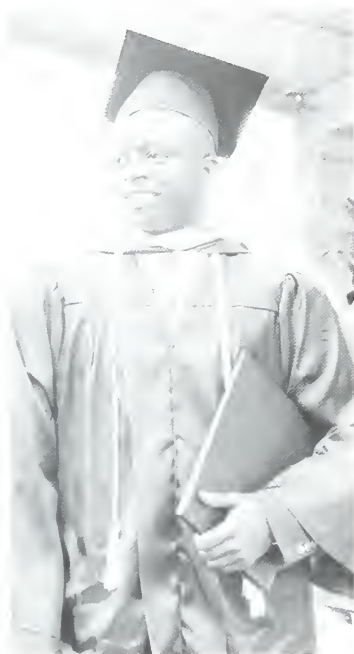

107th Commencement

Sunday, the Eighth of May
Nineteen hundred and ninety-four
Ten
In the Morning

Hawk Stadium
Princess Anne, Maryland

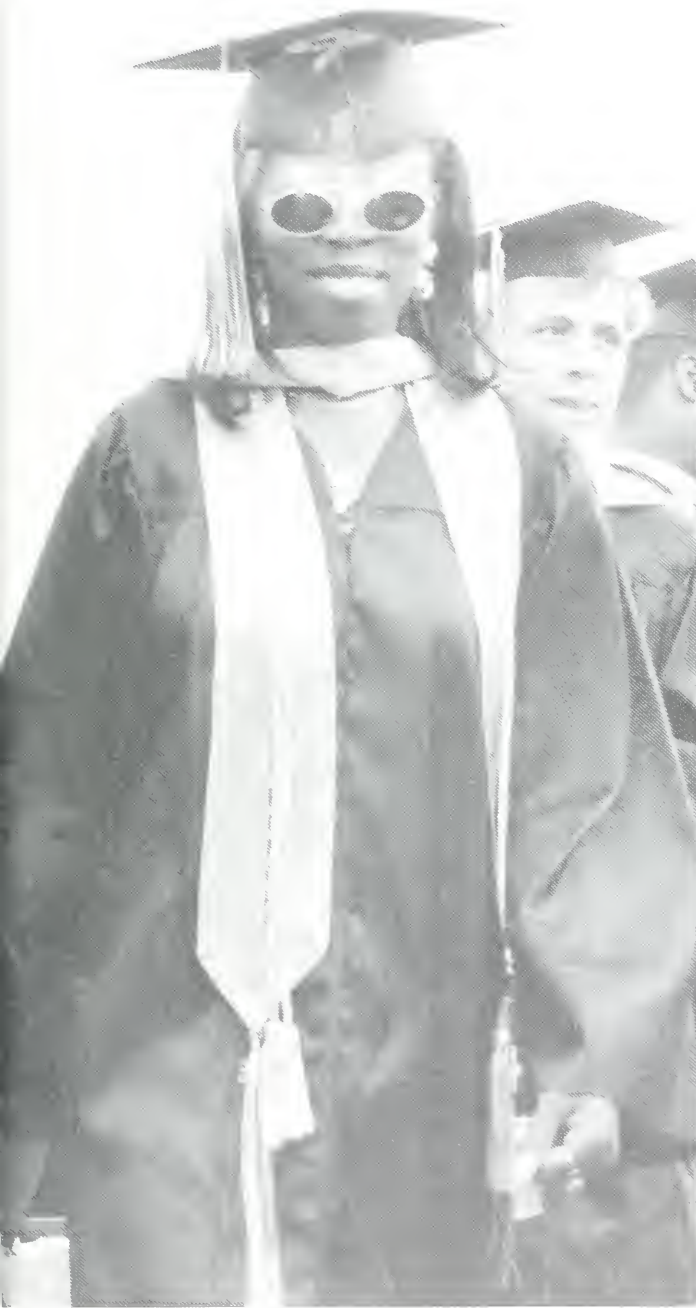

Stephanie Johnson, Keith Johnson, Cathy Johnson, and Brian Johnson. We are all one big, happy Hawk Family. Especially at Graduation time!

We must give our brothers much respect for overcoming all the obstacles in society that forces African American Males to be so few in higher education.

Stewart Stone looks on proudly as his name was announced by Dr. Ellis.

First in line as always, my Nubian African Sister, Ester Abu, walks proudly to the platform to receive her diploma

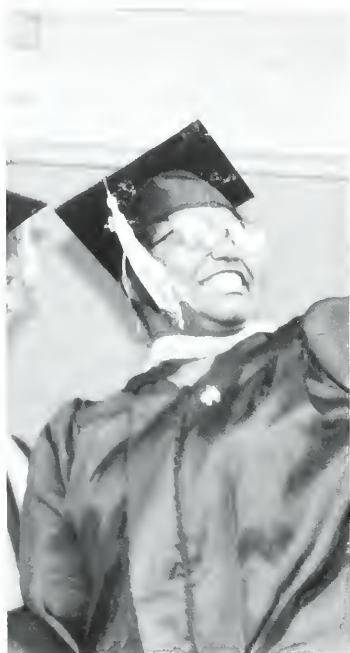

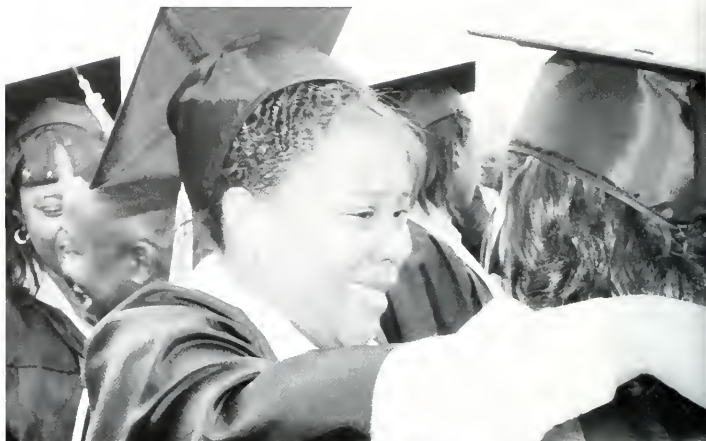

Kelly Bullys gives a "smile of a winner" as she receives her diploma.

JoAnn Everett gives a warm smile on such a cold day.

Erika Thompson sheds tears of JOY!

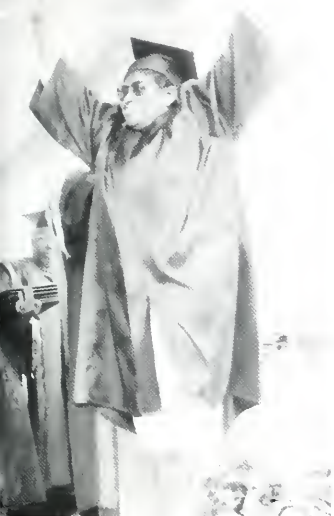

Pamela Marsh is all smiles after receiving her diploma.

Tyra Harding lets the crowd know the end has finally come.

Yes Officer, I did it!! I graduated!

Dr. Neufville walks quickly to avoid the coming rain.

Rain, sleet, or gust of wind could not contain the excitement of Graduation.

I take this opportunity to thank the entire student body for their support. Your input was greatly appreciated. You helped to make this what I feel was a successful year. I know that no man is an island and no man can stand alone, so to Mr. James White, Jr., thank you for the support and the yellings. You are an advisor, a pain and a friend. To my staff, (we were better known as Snoop Dogg and The Dogg Pound), I say thank you. You were there for me when everything was good and you stood with me when people tried to get in my way. We had a lot of things stacked against us (you know who I am talking about.) In our quest for our main objective, to bring about a more sociable environment on campus, I feel we did just that. Guys we heard everything this year, from this was the best year I had here to this was the worst year I ever had. Remember that if you can look in your heart and say that you gave your best then that is all that matters. Again thanks gang. And know that no matter where you go or what you may do, we will always have SGA and 2105. To everyone who helped to make this year a success I say thank you and May God Bless.

Yours in Hawk Pride,
Willie J. Simon, II
SGA President
1993/1994

FOUNDERS

UMES Founders' Day To Feature Africare Director Lucas, Jazz Leader Lionel Hampton

UMES 107th Founders' Day Convocation on Thursday, September 23, will have as its keynote speaker Africare Executive Director C. Payne Lucas and will honor jazz vibraphonist and bandleader Lionel Hampton.

DAY

Dr. Hampton shows that he can
still bring the crowd to their feet.

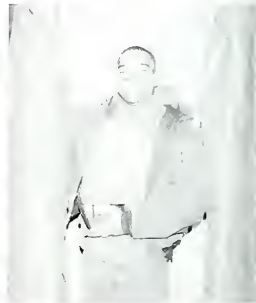

Dr. Hytche, Dr. Hampton, and Dr.
Johnson. A collection of great
minds and great talents.

THE PLACE TO BE!!

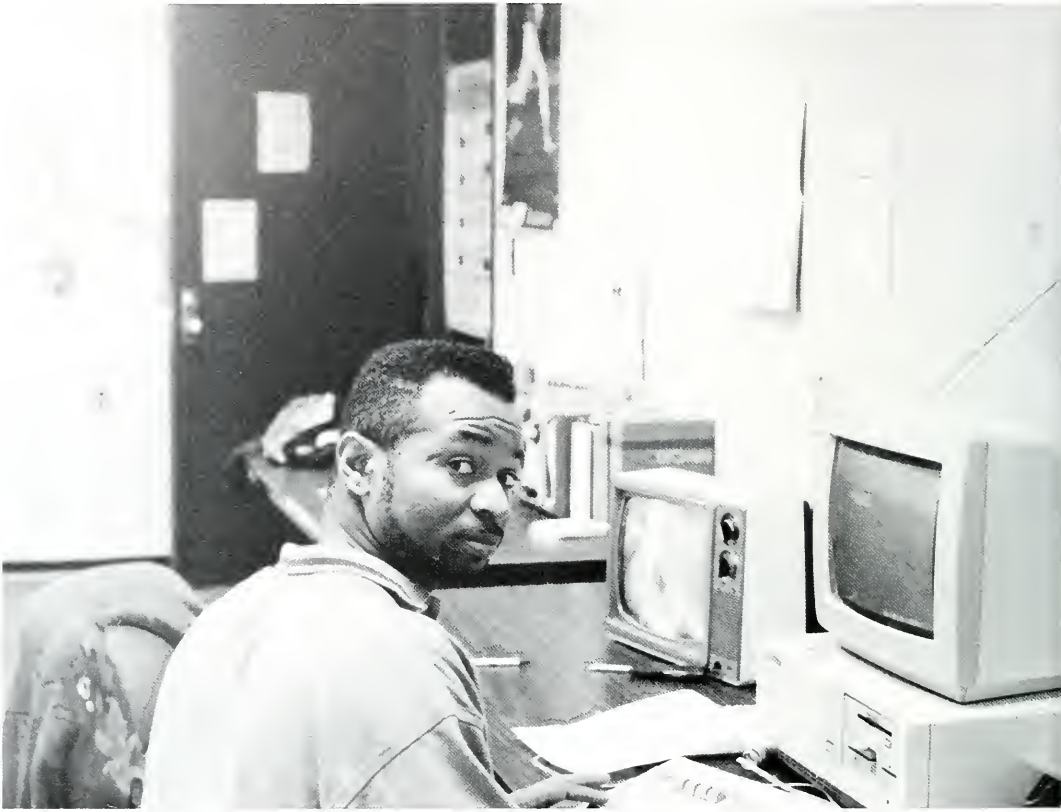

THE PLACE TO BE!!

**FACE THE
FACTS**

THE FINAL WORDS

At LAST we have completed this edition of "The 1994 Hawk Yearbook." This book is the product of many hours in the SDC, weekends, and extra efforts by all who gave their support. It also shows many hours of generously volunteered work by the staff and extra special care by our publishers, JOSTENS. A very special thanks to President Hytche for taking an active role in assuring the quality and speed this book received in getting published. To Mr. James White, Thank you for being a friend and a boss. Mr. Frank White for the wonderful advice and impressive pictures. To Jackie, Billy, Jimmy, Trish, Jolanda, Jason, Natalie, my sisters, my friends, and the UMES faculty and staff, thank you for making this possible. To all those who have had a part in the production of this book, I would like to express my appreciation not only for your hard and efficient work but also for your loyalty and the generous gift of your "spare time". It has been a pleasure to work with you all.

Look closely at our past, then go with us into the future, realize as we do that, gone are the yesterdays but the sun dawns on a new tomorrow. Stay alive for 95. PEACE.

David C. Hurlock, Editor-in-Chief
